

Directions: Use the FOUR boxes to analyze the primary source provided. Explore the Essential Question and base your answers on evidence you have gathered.

Essential Question: How do stereotypes influence how we look at and understand the world?

F__ First Impression

What do you notice first?
Insights. Thoughts.

O__ Observe

Look closely, what you do you see. List only facts and details.

U__ Understand

When, why, how, where was the source produced?
Gather evidence from the primary source information.
What was happening at the time in history when this was created?

R__ Relevance

What does this primary source teach me about the past? What else would I like to find out? What questions do I now have?

Primary Source Information

Title: Music Hath Charms

Type of primary source: Photograph

Date: 1890

Creator: Seneca Ray Stoddard

Location: Lake George, New York

Background Information

Photo shows African American musicians entertaining the crowd of children and adults at the American Canoeing Association meet. The musicians are playing bones, a fiddle, and a mandolin or mandola. The men in the audience are dressed up for the ACA meet.
